PROFESSIONAL SUMMARY

Licensed Professional Counselor (LPC) with expertise in providing individual and group counseling to students facing social, emotional, and behavioral challenges. Skilled in collaborating with teachers, parents, and administrators to develop intervention plans and support student success.

EXPERIENCE

August 2022 - Now

Elementary School Counselor

Forest Park Elementary School / United States, Little Rock, AR

- Provide individual and group counseling sessions to over 150 students dealing with various social and behavioral challenges.
- Conduct 40+ classroom guidance lessons on topics such as bullying prevention, conflict resolution, and study skills.
- Administer assessments and evaluations to identify 50+ students in need of additional support services.
- Serve as a member of the school's Response to Intervention team, contributing to the successful implementation of interventions for students with diverse needs.

August 2020 - June 2022

Elementary Teacher

Oak Ridge School / United States, Little Rock, AR

- Planned, prepared, and delivered engaging lessons for a group of students in grades 2-4, incorporating differentiated instruction.
- Established a positive classroom environment conducive to learning, emphasizing mutual respect, cooperation, and active participation.
- Monitored student progress through regular assessments and provided timely feedback to students and parents.
