

Jayden Curlewis

Professional summary

Dedicated and accomplished Assistant Professor with over 8 years of experience in Cultural Anthropology. Seeking a challenging position, where my passion for indigenous studies and commitment to fostering critical thinking can contribute to the academic community.

Experience

Assistant Professor, Department of Anthropology

2022 - Now

University of San Francisco / San Francisco, CA

- Designed and taught "Indigenous Cultures and Globalization," integrating fieldwork opportunities that allowed students to engage with local Native American communities. Received consistently high student evaluations.
- Published a groundbreaking article in the "Journal of Cultural Anthropology" titled "Navigating Globalization: Indigenous Responses in the 21st Century," contributing to the discourse on cultural resilience.
- Secured a ,000 research grant from the National Endowment for the Humanities to conduct a collaborative project with Navajo Nation elders, resulting in the development of an interactive online archive preserving indigenous narratives.

Teaching Assistant, Department of Anthropology

2019 - 2021

University of California / Berkley, CA

- Assisted in the delivery of "Introduction to Cultural Anthropology" under the mentorship of Dr. Emily Rodriguez.
- Conducted weekly seminars exploring the impact of globalization on cultural identity, fostering a collaborative learning environment.
- Co-authored a paper titled "Global Flows, Local Identities: An Ethnographic Exploration" published in the "Journal of Anthropological Research" based on research conducted during this role.

Conferences

- American Anthropological Association Annual Meeting (Vancouver, CA) 2023
- International Conference on Cultural Studies (Barcelona, Spain) 2022
- Globalization and Indigenous Peoples Symposium (Santa Fe, New Mexico, USA) 2021
