David Gohe

COVER LETTER

Dear Hiring Manager,

I am writing to express my interest in the Immigration Paralegal position at Morar and Sons. With over five years of experience in immigration law and a Bachelor's degree in Legal Studies, I am confident in my ability to excel in this role.

Throughout my career, I have had the opportunity to work with diverse clients and handle complex immigration cases. My experience includes assisting attorneys with preparing and filing various types of immigration petitions, conducting legal research, and maintaining case files.

One of my biggest achievements as an Immigration Paralegal has been successfully handling a high volume of cases while maintaining a high level of accuracy and attention to detail. This has not only resulted in positive feedback from both clients and attorneys, but it has also contributed to the overall success of the firm.

As an individual who is passionate about immigration law, I stay up-to-date with changes in immigration policies and procedures. This has enabled me to anticipate potential issues and provide proactive solutions for our clients.

I am excited about the opportunity to bring my skills and experience to Morar and Sons and contribute to the firm's continued success. Thank you for considering my application. I look forward to discussing how I can add value to your team further.

Sincerely,

David Gohe
