WellMed Pharmacy

Dear Mrs. Foust,

I am writing to express my interest in the Pharmacy Intern position at WellMed Pharmacy. As a recent graduate with a Bachelor's degree in Pharmacy, I am eager to start my career in the pharmaceutical industry and believe that WellMed Pharmacy would be the perfect place for me to gain valuable experience and enhance my skills.

During my academic journey, I have completed rigorous coursework in pharmacology, pharmaceutical calculations, drug therapy, and patient care. This has equipped me with a strong foundation in the principles of pharmacy practice and has also helped me develop excellent communication skills and attention to detail. In addition, my experience working as a pharmacy technician for two years has allowed me to gain hands-on experience in dispensing medications, compounding sterile products, and managing inventory.

My best qualities include being highly organized, detail-oriented, and a quick learner. I am also able to work well under pressure and have strong problem-solving skills. These qualities have helped me excel in my academic and professional endeavors.

As a pharmacy intern at WellMed Pharmacy, I am excited to learn from experienced pharmacists and contribute towards providing quality care to patients. I am confident that my passion for pharmaceuticals, combined with my knowledge and skills, make me a strong candidate for this position.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the success of WellMed Pharmacy.

Sincerely,

Leah Fromm
