To: Jeffrey L. Holmes

Phoenix Medical Center

Dear Mr. Holmes,

I am writing to express my interest in the Student Nurse position at Phoenix Medical Center. As a recent nursing graduate with a strong passion for patient care, I am excited for the opportunity to join your team and contribute my skills and experience to your organization.

In my previous clinical experiences, I have had the opportunity to work with diverse patient populations, including pediatric, geriatric, and medical-surgical patients. These experiences have allowed me to develop strong clinical skills such as medication administration, wound care, and patient assessment. I also have experience with electronic health records and working collaboratively with interdisciplinary teams.

My best qualities include excellent communication skills, empathy, and attention to detail. I believe that effective communication is essential in building trust with patients and their families, as well as collaborating with other healthcare professionals.

With my empathetic nature, I am able to establish genuine connections with patients and provide them with the emotional support they need during their recovery journey. Additionally, my attention to detail ensures that I am able to provide accurate and thorough care for patients.

I am also proficient in various computer applications such as Microsoft Office and electronic health records systems. Furthermore, I am CPR certified and possess a valid nursing license.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team further.

Sincerely,

Robert Harris
