## EXPERIENCE

2019 - Now

### Manager

#### Deloitte Consulting LLP / San Francisco, CA

- Manage a cross-functional team in the delivery of a large-scale ERP implementation for a global healthcare provider, enhancing system integration and data accuracy.
- Direct the development of a comprehensive risk management framework for a major energy company, reducing operational risks and ensuring regulatory compliance.
- Act as the primary liaison with senior executives, providing strategic insights and recommendations to guide decision-making and project direction.

2015 - 2019

### Senior Consultant

#### Ernst & Young (EY) / San Francisco, CA

- Led consulting engagements for clients in the technology sector, focusing on process improvements and cost reduction strategies that resulted in a 30% increase in operational efficiency.
- Developed and implemented change management strategies for organizational transformations, ensuring smooth transitions and stakeholder alignment.
- Conducted stakeholder interviews and facilitated workshops to gather requirements and align project goals.

## LEADERSHIP EXPERIENCE

### Project Lead

#### 2023, ERP Implementation Project

- Directed a team of 15 consultants and managed a \$10M project budget, successfully delivering the project on time and within budget.
