 Austin, TX

EDUCATION

Associate Degree in Mechanical Engineering Technology

Austin Community College, TX
Graduated May 2015

Certifications

- Certified CNC Programmer (NIMS) -- Issued July 2019
- OSHA Safety Certification -- Issued June 2018

SKILLS

- CNC Programming (G-code, M-code)
- Machine Maintenance
- Blueprint Reading
- Quality Assurance
- Problem Solving

MARTIN DUPREE

CNC MACHINE OPERATOR

PROFESSIONAL SUMMARY

Experienced CNC Machine Operator with over 9 years in precision machining and metal fabrication. Demonstrated expertise in operating CNC mills and lathes, troubleshooting, and implementing quality control measures. Proven track record of enhancing production efficiency and reducing downtime.

EXPERIENCE

- June 2019 - Now

CNC Machine Operator

Oshman's Manufacturing Inc. / Austin, TX

- Operate CNC mills and lathes to produce high-precision parts for aerospace components.
- Set up and calibrate machines, ensuring adherence to strict tolerances.
- Conduct routine maintenance and troubleshooting, reducing machine downtime by 15%.

- March 2015 - May 2019

CNC Machine Operator

Precision Tooling Co. / San Antonio, TX

- Programmed and operated CNC machines to produce custom parts for the automotive industry.
- Read blueprints and technical drawings to ensure accurate machining.
- Implemented quality control measures, achieving a 98% first-pass yield rate.

PROJECTS

- / Completed December 2023

Aerospace Component Production

- Led a project to develop new machining processes for aerospace parts, resulting in a 20% increase in production efficiency.

- / Completed August 2022

Tooling Optimization

- Implemented a tool management system that reduced change time by 30%.
