PROFESSIONAL SUMMARY

Energetic and efficient Speed Bartender with over 6 years of experience in high-volume venues. Adept at fast-paced, high-pressure environments while maintaining excellent customer service and accuracy. Seeking to bring my skills and passion for speed service to a dynamic bar or restaurant.

EXPERIENCE

June 2021 - Now

Speed Bartender

Craft Lounge / United States, Coeur D Alene, ID

- Handle high-volume bar service during peak hours, serving up to 300+ customers per shift.
- Consistently maintain an average of 30 seconds per drink, even during busy periods.
- Collaborate with a team of bartenders to ensure timely service and minimize wait times.
- Mix a variety of cocktails quickly and accurately based on customer preferences and standard recipes.

August 2019 - May 2021

Bartender

The Night Owl Bar & Grill / United States, Post Falls, ID

- Managed fast-paced service during live events and weekend rushes.
- Memorized dozens of drink recipes and maintained a high level of speed and consistency.
- Developed a reputation for balancing speed with exceptional customer service.
- Maintained a clean, well-organized bar area, restocking supplies as needed to keep up with demand.

June 2018 - April 2019

Barback

River City Pub / United States, Spokane, WA

- Supported bartenders by replenishing stock, handling prep work, and maintaining a clean environment.
- Quickly learned the intricacies of drink mixing and began transitioning to bartending roles.
- Assisted with inventory management and coordinated with suppliers to ensure timely restocking.

EDUCATION

Bartending Certificate

Bartending School, Spokane, WA / April 2016
