

NOTICE OF RESIGNATION

Janet G. Wyant

COVER LETTER

Dear Dr. Watanabe,

I am writing to formally resign from my position as a Registered Nurse at Oklahoma City General Hospital, effective November 14, 2024.

This decision was not made lightly, as I have greatly valued my time working with such a dedicated team and providing care to our patients. However, after careful consideration, I have decided to pursue a nursing specialty in pediatric care at a different facility.

I want to express my heartfelt gratitude for the support and guidance I have received during my tenure here. Working under your leadership has allowed me to grow both personally and professionally. I have truly enjoyed collaborating with my colleagues and caring for our patients, and I will cherish the experiences and relationships I have built.

I am committed to ensuring a smooth transition during my remaining time at Oklahoma City General Hospital. Please let me know how I can assist in transferring my responsibilities or training my replacement.

Thank you once again for the opportunities I have had while working at Oklahoma City General Hospital. I hope to stay in touch and wish the team continued success.

Sincerely,

Emily Johnson

Registered Nurse
