# EMILY CARTER

## COSTUME DESIGNER

### PROFESSIONAL SUMMARY

Creative and detail-oriented Costume Designer with over 7 years of experience in designing costumes for film, television, and theater. Skilled in researching historical periods, creating character-driven designs, and collaborating with directors to bring visions to life.

### EXPERIENCE

- March 2021 - Now

#### Costume Designer

Star Productions / Hollywood, CA

- Designed and created costumes for over 10 feature films, collaborating with directors and production teams to align costume concepts with the overall vision.
- Conducted extensive research on historical periods and cultural contexts to ensure authenticity in costume designs, leading to positive critical reception.
- Managed fittings and alterations for cast members, ensuring that costumes met both aesthetic and functional requirements.
- Supervised a team of assistants in constructing costumes, overseeing the entire design process from concept to completion.

- January 2018 - February 2021

#### Assistant Costume Designer

Creative Arts Theater / Los Angeles, CA

- Assisted in designing and constructing costumes for live theater productions, including musicals and plays, contributing to a visually stunning performance experience.
- Collaborated with the lead designer to create detailed sketches and fabric swatches, ensuring alignment with the production's theme and characters.
- Participated in fittings and adjustments, working directly with actors to achieve a perfect fit and comfort during performances.

### FREELANCE PROJECTS

- 2022 - 2023 / Self-employed

#### Costume Designer for "Mystery on Maple Street"

- Designed and crafted costumes for a short film that received awards at local film festivals for its artistic direction and visual storytelling.
