License #123456

### CPR and First Aid Certified

2021

2019

Certified School Nurse (CSN)

## PROFESSIONAL SUMMARY

Compassionate and dedicated Registered Nurse with over 7 years of experience in school health services, seeking to leverage expertise in pediatric care, health education, and wellness promotion as a School Nurse at Springfield Community High School.

## EXPERIENCE

### School Nurse

2019 - Now

#### Lincoln Elementary School, Springfield, IL

- Provide comprehensive health services to a student population of 500+ children, including administering first aid and managing chronic health conditions.
- Develop and implement health education programs that increased student awareness of nutrition, hygiene, and physical fitness by 30%.
- Collaborate with parents and healthcare providers to create Individual Health Care Plans (IHCP) for students with specific medical needs.
- Conduct annual health screenings, including vision and hearing assessments, identifying and addressing potential health issues promptly.

### Pediatric Nurse

2018 - 2019

#### Children's Health Network, Springfield, IL

- Delivered nursing care to infants, children, and adolescents in a fast-paced outpatient clinic, managing immunizations and conducting developmental assessments.
- Assisted in triaging patients and effectively communicating care plans to families, enhancing patient satisfaction by 25%.
- Participated in community outreach programs focusing on pediatric health and wellness, leading workshops on child nutrition and safety.
