

# SARAH JOHNSON

## DIAGNOSTIC RADIOLOGIC TECHNOLOGIST

### PROFESSIONAL SUMMARY

Detail-oriented and compassionate Radiologic Technologist with over 7 years of experience in performing diagnostic imaging procedures. Committed to delivering high-quality patient care and ensuring safety protocols are followed.

### EXPERIENCE

- May 2019 - Now

#### Radiologic Technologist

Atlanta Medical Center / United States, GA

- Perform X-rays, fluoroscopy, and digital imaging for a diverse patient population, ensuring high-quality images for accurate diagnoses.
- Collaborate with radiologists to determine the most appropriate imaging procedures based on clinical indications.
- Educate patients on imaging procedures and safety protocols, ensuring their comfort and understanding.

- June 2018 - May 2019

#### Radiologic Technologist Intern

Piedmont Hospital / United States, Atlanta, GA

- Assisted senior technologists in conducting diagnostic imaging procedures, including X-rays and MRI scans.
- Maintained equipment and ensured cleanliness of workspaces to comply with safety standards.
- Documented patient histories and prepared imaging reports for review by medical staff.

### VOLUNTEER EXPERIENCE

- March 2023 - Now / Atlanta Community Health Center, GA

#### Health Fair Volunteer

- Provide free health screenings and educational resources to underprivileged communities, helping to promote awareness of diagnostic imaging and its importance in healthcare.
- Assist in organizing events that focus on preventive health measures and access to medical services.
