University of California, Los Angeles  
(UCLA)

## PROFESSIONAL SUMMARY

Compassionate and efficient Pediatric ER Nurse with over 8 years of experience in high-stress environments. Skilled in rapid pediatric patient assessment, emergency response, and family support in trauma situations. Proven ability to work effectively under pressure, delivering outstanding care to children in critical conditions.

## EXPERIENCE

### **Pediatric ER Nurse** 2018 - Now **Rady Children's Hospital - San Diego, CA**

- Provide emergency medical care to pediatric patients in a Level I trauma center, collaborating closely with multi-disciplinary teams to stabilize and treat over 25 patients daily.
- Develop protocols for efficient triage and prioritization, reducing ER wait times by 15%.
- Train and mentor new nurses on pediatric emergency care procedures, significantly improving team readiness and confidence.

### **Registered Nurse (Pediatrics)** 2016 - 2018 **Sharp Mary Birch Hospital - San Diego, CA**

- Conducted comprehensive assessments of pediatric patients, providing accurate diagnoses in high-stress situations.
- Supported families through traumatic events, offering clear communication and emotional assistance.
