PROFESSIONAL SUMMARY

Motivated and compassionate entry-level CT Technologist with a recent certification in computed tomography. Eager to apply technical knowledge, strong attention to detail, and excellent patient care skills in a healthcare setting.

EXPERIENCE

CT Technologist Intern

2024 - 2024

Mount Sinai Hospital, United States, New York, NY

- Assisted experienced technologists in performing CT scans for patients with various conditions.
- Maintained patient comfort and safety during procedures.
- Prepared and positioned patients for scans, ensuring correct anatomical alignment.
- Operated CT machines under supervision and ensured equipment was functioning properly.
- Collaborated with radiologists to review images and assist with diagnoses.

Radiology Technician Intern

2023 - 2023

New York General Hospital, United States

- Supported the radiology team in performing X-rays and CT scans for inpatients and outpatients.
- Assisted with patient intake, ensuring accurate documentation of history.
- Educated patients on procedures, minimizing anxiety and ensuring patient compliance.
