PROFESSIONAL SUMMARY

Experienced Dozer Operator with over 6 years of operating bulldozers and other heavy machinery for land clearing, grading, and construction projects. Seeking a challenging role where I can apply my skills in earthmoving and excavation while prioritizing safety and efficiency.

EXPERIENCE

January 2020 - Now

Dozer Operator

Fluor Corporation / United States, Phoenix, AZ

- Operate bulldozers for excavation and grading projects, ensuring smooth and efficient land preparation for construction sites.

- Work closely with surveyors to level and grade land according to site plans.

- Manage site safety by conducting daily inspections of equipment and ensuring compliance with safety protocols.

- Assist in the maintenance of bulldozers, including routine checks and repairs to minimize downtime.

June 2018 - December 2019

Heavy Equipment Operator

McCarthy Building Companies / United States, Phoenix, AZ

- Operated bulldozers, backhoes, and loaders to clear land and prepare construction sites.

- Moved large volumes of soil and debris to aid in excavation and grading tasks.

- Performed basic equipment maintenance and troubleshooting to ensure uninterrupted operation.

EDUCATION

2011 - 2015

Certificate in Heavy Equipment Operation

Phoenix Technical College / United States, Phoenix, AZ

OSHA 30-Hour Construction Safety Certification

Occupational Safety and Health Administration / Certified: March 2019

Dozer Operator Certification
