 Denver, CO

EDUCATION

Bachelor of Science in Environmental Science

University of Colorado Boulder

Graduated: May 2022

AWARDS

 Dean's List, University of Colorado Boulder (2021, 2022)

 Outstanding Student in Environmental Science Award, 2022

PROFESSIONAL SUMMARY

Field Research Assistant with hands-on experience in environmental science and wildlife biology. Seeking to contribute my skills in data collection and habitat conservation at the Colorado Natural Heritage Program.

EXPERIENCE

Field Research Assistant

2023 - Now

University of Colorado Boulder, Environmental Studies Program, Boulder, CO

- Conduct field surveys in national parks to monitor the health of local ecosystems.
- Collect soil, water, and plant samples for environmental analysis and research.
- Assist in tracking wildlife populations and gathering data on biodiversity in remote areas.
- Compile research findings for scientific reports presented at environmental conferences.

Wildlife Research Assistant

2022 - 2023

Denver Zoo, Conservation Science Department, Denver, CO

- Assisted in tracking animal migration patterns and collecting observational data.
- Supported the development of conservation strategies for endangered species.
- Conducted environmental assessments and reported findings to the research team.

SKILLS

Field data collection and analysis
