

Michael Stevens

Professional summary

Experienced Event Security Supervisor with a strong background in managing large-scale events, ensuring safety and security for attendees, VIPs, and staff. Adept at coordinating teams, handling crowd control, and preventing incidents.

Experience

Event Security Supervisor

January 2016 - Now

Live Nation Entertainment / United States, New York, NY

- Supervise security operations for over 50 large-scale events annually, including concerts, festivals, and corporate conferences.
- Lead a team of 20 personnel, coordinating event security strategies and handling crowd control to prevent incidents.
- Work closely with law enforcement and emergency services to develop and implement security protocols.
- Conduct risk assessments for each event, identifying potential threats.
- Train staff in emergency evacuation procedures, VIP protection, and crisis management.

Security Officer

June 2014 - December 2015

G4S Security Services / United States, New York, NY

- Provided security for public and private events, monitoring crowds and ensuring that safety protocols were followed.
- Assisted in managing entry points, including ticket verification and access control.
- Helped coordinate emergency response teams and assisted in crowd dispersal when necessary.

Volunteer Experience

Event Security Volunteer

August 2024 - September 2024

Global Citizen Festival, New York, NY

- Volunteered in assisting with security operations for one of New York's largest outdoor music events, ensuring safety for over 60,000 attendees.
- Monitored crowd flow and assisted in managing entry points, ensuring compliance with security protocols.
- Aided in emergency response and evacuation procedures as part of the volunteer security team during the festival's high-traffic periods.
