💼 PROFESSIONAL SUMMARY

Ambitious architecture student eager to gain hands-on experience in the field. Currently completing my studies at the University of Texas at Austin, with a focus on architectural design and sustainability. Looking for an internship position to apply classroom knowledge to real-world projects and further develop my design and technical skills.

⭐ SKILLS

Proficient in AutoCAD, Rhino, SketchUp, and Adobe Creative Suite	★ ★ ★ ★ ★
Strong understanding of sustainable design principles and energy-efficient buildings	★ ★ ★ ★ ★
Excellent research, sketching, and model-making skills	★ ★ ★ ★ ★
Familiar with architectural drawing conventions and documentation	★ ★ ★ ★ ★
Strong communication and teamwork abilities	★ ★ ★ ★ ★

🗒 PROJECTS

Sustainable Housing Design

Spring 2024

- Designed an energy-efficient housing complex focused on minimizing environmental impact using passive solar design and sustainable materials.
- Created 3D models and rendered views using Rhino and Lumion for client presentations.

Urban Revitalization Proposal

Fall 2023

- Developed a concept for revitalizing an underused industrial area into a mixed-use community with green spaces and public amenities.
- Presented ideas to a panel of professors and local architects, receiving positive feedback for creativity and feasibility.

📋 COURSES

Autodesk AutoCAD Certified

2023
