COVER LETTER

Dear Mr. Slaton

I am writing to express my interest in the position of Restaurant General Manager at Sunburst Garden. With over 10 years of experience in the hospitality industry and a proven track record of success, I am confident that I would make a valuable addition to your team.

As a seasoned restaurant professional, I possess a diverse skill set that makes me well-equipped for this role. I have experience in managing all aspects of restaurant operations, from overseeing daily activities to creating and implementing business strategies. In my current role as General Manager at a popular fine-dining establishment, I have consistently achieved high levels of customer satisfaction and profitability through effective leadership and strong attention to detail.

One of my proudest achievements is implementing a new menu at my current restaurant, which resulted in a 20% increase in sales within the first month. This success was due to my ability to identify trends in the market, collaborate with the chef to create innovative dishes, and effectively train and motivate staff to upsell these new items.

My best qualities include my strong leadership skills, attention to detail, and ability to think on my feet. I have a hands-on management style and always lead by example, inspiring my team to deliver exceptional service and maintain high standards. Furthermore, I am highly organized and able to handle multiple tasks simultaneously without compromising quality.

I am excited about the opportunity to bring my skills and experience to Sunburst Garden and help drive its continued success. Thank you for considering my application. I look forward to discussing how I can contribute to your team further.

Sincerely,

Megan Biehl
