

Gloria Murphy

Assistant Principal

Dear Hiring Manager,

I am writing to express my interest in the Assistant Principal position at Beaumont Independent School District. With over 12 years of experience, I am confident that I possess the leadership, skills, and passion needed to support the success of your students and staff.

As an experienced educator, I have developed expertise in curriculum development, instructional coaching, student discipline, and fostering school-wide initiatives that promote both academic and personal growth for students.

In my current role as a Lead Teacher at Central High School, I work closely with faculty to enhance instructional practices, lead professional development, and create an engaging and effective classroom experience for our students. I have also implemented successful behavior management strategies that have contributed to a significant reduction in disciplinary referrals.

I am particularly passionate about supporting a school culture that emphasizes both academic rigor and social-emotional learning. I believe that every student deserves the opportunity to succeed, and that providing an inclusive, supportive environment is key to achieving that success.

I am excited about the opportunity to bring my strengths in leadership and my dedication to student achievement to the role of Assistant Principal at Beaumont Independent School District.

I look forward to the possibility of discussing how my skills and experiences align with the needs of your school community. Thank you for your time and consideration.

Sincerely,

Gloria R. Murphy
