To: Michael Evans

Boulder Family Dental

Dear Mr. Evans,

I am writing to express my interest in the Dental Hygienist position at Boulder Family Dental. As a skilled and experienced dental professional, I am confident that I possess the necessary qualifications and passion for this role.

With over 5 years of experience, I have developed a strong understanding of oral health care and patient education. My previous roles have allowed me to work with a diverse set of patients, ranging from young children to elderly individuals, providing me with the ability to adapt to different situations and deliver personalized care. I have also gained experience in various dental procedures such as cleanings, fluoride treatments, and taking x-rays.

My biggest achievement has been building strong relationships with my patients. By actively listening to their concerns and providing them with the necessary information, I have helped many individuals improve their oral health and maintain healthy smiles. This has not only brought satisfaction to my patients but also helped increase patient retention at my previous workplace.

My best qualities include excellent communication skills, attention to detail, and a patient-centric approach. These qualities have allowed me to effectively educate patients on proper oral hygiene techniques and make them feel comfortable during their visits. With my positive attitude and ability to work well in a team, I have always been able to create a welcoming environment for both patients and colleagues.

I am excited about the opportunity to join Boulder Family Dental and contribute my expertise towards providing exceptional oral healthcare services. Thank you for considering my application. I look forward to discussing how I can contribute to your team further.

Sincerely,

Carmen Talbot
