Soccer Coach

Orlando, FL 

To Randall Ybarra

Greenbelt High School

Dear Hiring Manager,

I am writing to express my interest in the position of Soccer Coach at Greenbelt High School. With over 5 years of experience in coaching and a deep passion for the sport, I am confident in my ability to bring positive impact to your team.

As a coach, my role has always been to inspire and motivate players to reach their full potential both on and off the field. I have worked with diverse groups of players ranging from young beginners to elite level athletes, and have honed my skills in creating effective training plans that cater to the individual needs of each player.

One of my biggest achievements as a coach was leading my previous team to win the state championship for two consecutive years. This experience has taught me the importance of teamwork, discipline, and perseverance in achieving success. I believe these qualities are crucial in building a successful soccer program and I am eager to bring them to Greenbelt High School.

My biggest strength lies in my ability to build strong relationships with players, parents, and staff. I firmly believe that open communication and trust are key components in creating a positive team culture. I am also well-versed in using technology to analyze game footage and provide constructive feedback for individual player development.

I hold a USSF "D" license as well as a Bachelor's degree in Physical Education. My coaching philosophy revolves around developing not just skilled players, but also individuals who possess strong character and sportsmanship.

Thank you for considering me for this position. I am excited at the prospect of joining Greenbelt High School and contributing towards the success of your soccer program. I look forward to discussing this opportunity further.

Sincerely,

Kenneth Thompson
