Michael Carter

Professional summary

Dedicated and creative landscaper with experience in designing and maintaining residential properties. Skilled at delivering aesthetically pleasing and functional landscapes while exceeding client expectations. Eager to contribute expertise in planting, pruning, and hardscaping at Green View Landscaping in Portland.

Experience

Residential Landscaper

July 2018 - Now

Green View Landscaping / Portland

- Maintain and improve the appearance of over 50 residential properties, tailoring services to individual client needs.
- Design custom landscapes that incorporate sustainable practices, seasonal plantings, and client preferences.
- Lead a team of three landscaping assistants, providing training and oversight to ensure quality service and timely project completion.
- Operate and repair tools and machinery, including mowers, trimmers, and irrigation systems, reducing maintenance costs by 15%.

Landscape Crew Member

May 2016 - June 2018

Sunrise Gardens / Eugene

- Performed lawn care, tree trimming, and seasonal plant maintenance to enhance curb appeal.
- Assisted senior landscapers in executing complex landscape designs, ensuring compliance with client specifications and project goals.
- Contributed to the design and installation of an eco-friendly irrigation system.

Volunteer Work

Urban Greening Initiative Volunteer

March 2020 - Now

Portland, Oregon

- Collaborate with local groups to plant trees and maintain urban green spaces.
- Conduct workshops to educate residents about sustainable gardening techniques.
