

ABA Therapist

Marlene Miller

Professional summary

Compassionate and dedicated ABA therapist with over 5 years of experience delivering evidence-based therapy to children with autism. Adept at collaborating with families and interdisciplinary teams to create tailored treatment plans that foster development and behavioral improvements.

Experience

ABA Therapist

June 2021 - Now

Behavioral Health Associates / San Diego, CA

- Deliver individualized therapy sessions using ABA techniques, including discrete trial training and natural environment teaching, to children with autism.
- Conduct functional behavior assessments and develop individualized treatment plans based on assessment results.
- Monitor client progress through data collection, adjusting treatment plans as necessary to optimize outcomes.
- Provide parent training and support, educating families on reinforcement strategies and behavioral techniques for home implementation.

ABA Therapist Intern

September 2020 - June 2021

Sunshine Therapy Services / San Diego, CA

- Assisted senior therapists with the implementation of ABA-based interventions for children with autism and developmental delays.
- Administered direct therapy sessions, following treatment plans designed to target specific developmental goals.
- Participated in weekly team meetings to discuss client progress and update therapy goals.
- Supported the creation and adjustment of behavior intervention plans based on client performance and behavior observations.

Professional Development

- Attended the 2025 ABA International Conference on Autism Spectrum Disorders, focusing on new interventions for children with severe autism.
- Participated in a workshop on "Parent-Implemented ABA Therapy" to enhance communication with families and improve therapy outcomes.
