

Junior UX/UI Designer

Randall Turner

Professional summary

Creative Junior UX/UI Designer with expertise in both user experience and visual interface design. Skilled at creating responsive designs, wireframes, and user interfaces that are both functional and visually appealing. Looking to contribute my skills to a forward-thinking team in the tech industry.

Experience

Junior UX/UI Designer

June 2023 - Now
Innovative Designs Co. / Austin, TX

- Design clean, user-centered interfaces for web and mobile applications.
- Create high-fidelity wireframes and prototypes, leading to a smoother user experience and a 10% decrease in bounce rates for the company's mobile app.
- Work alongside developers to ensure smooth handoff and design implementation.
- Collaborate with cross-functional teams to gather requirements and deliver on design solutions that met both user and business needs.

Freelance Graphic & UX/UI Designer

January 2022 - June 2023
Self-Employed / Austin, TX

- Designed branding, websites, and digital marketing materials for small businesses, helping clients enhance their online presence.
- Developed responsive, user-friendly websites, leading to a 25% increase in traffic for a local restaurant's website.
- Conducted client meetings to define project scope and design direction, ensuring alignment with business goals.

Personal Projects

Redesigning a Local Non-Profit Website

- Volunteered to redesign a local non-profit's website, focusing on accessibility and mobile responsiveness. The new design helped increase volunteer sign-ups by 30%.

UX/UI Design Blog

- Started a blog where I share design tips, reviews of design tools, and tutorials, helping other junior designers improve their skills.
