Professional summary

Motivated pre-med student with a diverse skill set including leadership, communication, and healthcare support. Looking to apply my talents in a medical school that values both technical expertise and soft skills in the healthcare field.

Experience

LA Free Clinic

January 2025 - Now
Los Angeles, CA

Volunteer Leader

- Coordinated volunteer schedules, ensuring all clinic shifts were filled.
- Helped train new volunteers on patient care and safety protocols.
- Provided direct support to patients during their appointments, ensuring they felt comfortable and well-informed.

Cedars-Sinai Medical Center

June 2025 - August 2025
Los Angeles, CA

Intern

- Shadowed medical staff, including physicians and surgeons, observing patient interactions and medical procedures.
- Assisted in the preparation of surgical rooms and lab testing.
- Managed patient intake and performed administrative duties.

Volunteer Work

September 2023 - Now

Los Angeles Homeless
Outreach Program — Los
Angeles, CA

Volunteer

- Organized weekly outreach events to provide healthcare services, food, and hygiene products to the homeless.
- Worked alongside medical professionals to provide basic health screenings and counseling.
