EXPERIENCE

2017 - Now

Corporate General Counsel

TechNet Innovations Inc. / San Francisco, CA

- Lead the company's legal team in managing corporate governance, regulatory compliance, and contractual matters.
- Negotiate and facilitate the acquisition of two smaller tech firms, expanding market share by 20%.
- Develop and implement corporate policies to ensure legal compliance across global operations.
- Advise senior leadership on key business strategies, providing legal insight to support long-term growth plans.

2012 - 2016

Vice President, Legal Affairs

CloudWorks Solutions / San Francisco, CA

- Oversaw all aspects of corporate legal matters, including contract negotiation, intellectual property rights, and mergers.
- Played a key role in raising \$50M in venture capital, working closely with investors and legal teams to navigate complex negotiations.
- Managed risk assessments and legal audits to identify potential liabilities across international operations.
