HAZEL SMITH

CERTIFIED SENIOR PHARMACY TECHNICIAN

PROFESSIONAL SUMMARY

Experienced and detail-oriented Certified Senior Pharmacy Technician with expertise in dispensing medications, providing patient counseling, and managing pharmacy operations. Proficient in prescription verification, inventory control, and working with pharmacy software systems. Strong commitment to patient safety and regulatory compliance.

EXPERIENCE

- January 2015 -

Senior Pharmacy Technician

Rite Aid Pharmacy / Los Angeles, CA

- Verify and dispense medications to ensure accuracy, ensuring adherence to all local and federal regulations.
- Provide medication counseling to patients, educating them on proper drug usage, potential side effects, and interactions.
- Manage and monitor inventory levels, ensuring stock is sufficient and all medications are stored according to safety guidelines.
- Lead and mentor a team of junior pharmacy technicians, fostering teamwork and professional growth.

- May 2010 - December 2014

Pharmacy Technician

CVS Pharmacy / Los Angeles, CA

- Assisted pharmacists in accurately preparing and dispensing medications in a high-volume retail setting.
- Verified patient prescriptions and ensured all drug interactions were reviewed before dispensing.
- Supported inventory control by organizing medications and overseeing the ordering process to maintain stock levels.
- Collaborated with team members to optimize workflow and meet daily service goals.
