RSM US LLP

Dear Hiring Manager,

I am writing to express my interest in the Junior Accountant position at RSM US LLP. With a strong background in finance and accounting, I am confident that I possess the necessary skills and experience to excel in this role.

As a recent graduate with a Bachelor's degree in Accounting, I have gained a solid foundation in financial analysis, budgeting, and auditing. During my internship, I was responsible for managing accounts payable and receivable, reconciling bank statements, and preparing monthly financial reports. This experience has not only enhanced my technical skills but also instilled in me the importance of attention to detail and accuracy.

One of my biggest achievements was streamlining the company's accounting process by implementing new software that automated manual tasks. This resulted in a 20% increase in efficiency and eliminated errors. Additionally, I was recognized for identifying discrepancies in vendor invoices, saving the company over \$10,000 annually.

My best qualities include being highly organized, detail-oriented, and able to work under pressure. In my previous roles, I have consistently met tight deadlines while maintaining a high level of accuracy. I am also a quick learner, always eager to take on new challenges and expand my knowledge.

I am excited about the opportunity to join RSM US LLP and contribute to its success. Your company's reputation for providing exceptional client service aligns with my own values of integrity and professionalism. I am confident that my skills and experiences make me an ideal candidate for this role.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team further.

Sincerely,

Johnathan Martinez
