### Professional summary

Compassionate and dedicated special education aide with experience assisting students with learning disabilities and behavioral challenges. Passionate about creating an inclusive environment where all students can succeed.

### Experience

#### Westwood Elementary School

January 2025 - May 2025

Los Angeles, CA

#### Student Support Aide (Internship)

- Provided individualized support to students with learning disabilities and behavioral challenges, helping them engage with classroom activities effectively.
- Assisted teachers in implementing Individualized Education Plans (IEPs), adapting lesson materials and teaching methods to meet diverse student needs.
- Helped manage classroom behavior by reinforcing positive actions and using de-escalation techniques to support students experiencing frustration or anxiety.
- Communicated regularly with teachers, therapists, and parents to ensure a collaborative approach in addressing each student's unique educational and behavioral needs.

### Extracurricular Activities

- Member of the Special Education Advocacy Club at California State University, participating in awareness campaigns and mentorship programs.
- Volunteered at a local literacy program, assisting children with learning disabilities in improving their reading and writing skills.
