

PROFESSIONAL SUMMARY

Experienced MRI Technologist with expertise in performing magnetic resonance imaging (MRI) exams. Skilled in operating MRI machines, maintaining image quality, and ensuring patient safety. Committed to providing exceptional patient care in routine and emergency imaging settings, while working efficiently to deliver accurate diagnostic results.

EDUCATION

Bachelor of Science in Radiologic Technology

University of Chicago / Graduated: May 2015

Certifications

- Certified Radiologic Technologist (CRT), June 2020
- MRI Certification, January 2018

Professional Development

- Advanced MRI Techniques, Radiology Education Network, March 2021
- Patient Care and Communication in Imaging, American College of Radiology, November 2019

SKILLS

- Expertise in MRI scanning, troubleshooting, and image interpretationExpert
- Skilled in MRI safety protocols and patient screening techniquesExpert
- Proficient in operating Siemens and Philips MRI systemsExpert
- Strong knowledge of medical imaging techniques and patient positioningExpert
- High attention to detail with a focus on accuracy in diagnostic imagingExpert

LANGUAGES

- Spanish (Fluent)
- French (Basic conversational)

EXPERIENCE

2017 - Now

MRI Technologist

Northwest Health Center / Chicago, IL

- Conduct diverse MRI scans, including brain, spine, joints, and musculoskeletal imaging.
- Ensure patient safety by screening for contraindications such as metal implants, pacemakers, and pregnancy.
- Accurately position patients to capture high-quality MRI images while minimizing discomfort.
- Operate MRI machines, troubleshoot technical issues, and perform regular equipment maintenance to ensure optimal functioning.

2015 - 2017

Radiologic Technologist

Lakeview Imaging Clinic / Chicago, IL

- Performed X-ray and MRI with a focus on orthopedic and neurological imaging.
- Managed and updated patient records, ensuring all imaging data was accurate and promptly delivered.
- Assisted in creating detailed and clear reports of imaging results to support physicians in making informed diagnoses.
- Educated patients on imaging procedures, alleviating anxiety and ensuring clear understanding of the process.

EXTRACURRICULAR ACTIVITIES

2012 - 2015

Radiologic Technology Club Member

University of Chicago

- Actively participated in club meetings and events focused on advancements in imaging technologies and patient care.
- Assisted in organizing guest speaker events, workshops, and educational outreach initiatives to promote radiology as a career.
