

Pediatric Personal Care Assistant

Sarah Lee

Professional summary

Passionate Pediatric Personal Care Assistant with experience supporting children with special needs, including those with physical and developmental disabilities. Skilled in offering both personal care and therapeutic support. Dedicated to improving the overall well-being of children, ensuring their safety, comfort, and emotional growth.

Experience

Pediatric Personal Care Assistant

May 2020 - Now
Little Hearts Pediatric Care / Los Angeles, CA

- Assist children with special needs in daily personal care tasks such as feeding, dressing, and bathing while maintaining their dignity and promoting independence.
- Administer prescribed medications according to doctors' orders, keeping a detailed log of each dose and reporting any concerns.
- Work closely with children's families and medical teams to develop individualized care plans, adjusting support as needed.
- Engage children in activities designed to promote developmental progress, such as therapeutic exercises, reading, and interactive play.

Pediatric Personal Care Assistant

August 2017 - April 2020
The Children's Clinic / Los Angeles, CA

- Supported children with physical disabilities in performing daily activities, offering mobility assistance and ensuring a safe environment.
- Worked directly with parents and doctors to provide care based on specific medical conditions, ensuring a holistic approach to treatment.
- Helped manage medical supplies, including oxygen tanks and mobility aids, ensuring that all equipment was maintained and ready for use.
- Provided emotional support to children and their families, helping them cope with difficult situations and creating a positive atmosphere.

Professional development

Autism Care Training | National Autism Association

- Completed: 2019
- Gained insights into effective care techniques and communication strategies for children with autism spectrum disorders.
