Newborn Photographer

PROFESSIONAL SUMMARY

Talented and compassionate newborn photographer with experience specializing in capturing precious moments of newborns, infants, and families. Proficient in studio lighting, props, and creative photo compositions. Skilled at creating a comfortable, safe, and calming environment for newborns and their families.

EXPERIENCE

Freelance Newborn Photographer, Elizabeth, LA

March 2020 - Now

- Specialize in newborn, maternity, and family photography, creating tailored sessions based on client preferences.
- Capture over 100 newborn sessions annually, ensuring a safe and comfortable experience for babies and parents.
- Edit and deliver high-quality, professionally retouched photos, ensuring timely delivery within agreed-upon deadlines.
- Build strong relationships with clients, resulting in repeat business and referrals.

Newborn Photographer, Little Blessings Photography Studio, Lake Charles, LA

June 2018 - February 2020

- Worked with a team of photographers to offer studio-based newborn and family photo sessions.
- Assisted in posing newborns, adjusting lighting, and preparing props for each session.
- Developed a reputation for calm and gentle handling of newborns, contributing to a positive studio environment.
