

## SUBSTANCE ABUSE COUNSELOR

# Johnathan Miller

### COVER LETTER

Dear Ms. Flores,

I am writing to express my interest in the Substance Abuse Counselor position at Healing Hands Treatment Center. With over five years of experience in the field of addiction counseling, I am confident in my ability to make a positive impact on individuals struggling with substance abuse.

In my previous role, I had the opportunity to work with a diverse group of clients and provide them with individual and group therapy sessions. My main responsibility was to assess their needs and develop personalized treatment plans that included both evidence-based practices and holistic approaches. Through my attentive listening skills and empathetic approach, I was able to build strong rapport with my clients.

One of my biggest achievements as a Substance Abuse Counselor was helping a client overcome their severe alcohol addiction and maintain sobriety for over two years. This accomplishment not only brought immense satisfaction to me but also highlighted my dedication towards helping individuals achieve lasting change.

My best qualities include excellent communication skills, strong problem-solving abilities, and a non-judgmental attitude. I believe these qualities are essential in creating a safe and supportive environment for clients to open up and work towards their recovery.

I am excited about the opportunity to bring my passion for helping others. Thank you for considering my application. I look forward to the possibility of discussing this opportunity further.

Sincerely,

Johnathan Miller
