

Private Chiropractic

# Dr. Joyce Smith

 (555) 123-4567  
 joyce.smith@email.com

Professional summary

Experienced chiropractor with practice specializing in spinal adjustments and holistic patient care. Proven success in managing private practice operations, improving patient outcomes, and delivering exceptional service. Seeking to continue delivering high-quality care in a patient-centered private practice.

Experience

## Owner/Lead Chiropractor

2015 - Now

Smith Chiropractic Clinic / New York, NY

- Lead all aspects of clinic operations, from patient care to scheduling and billing, ensuring high levels of patient satisfaction and operational efficiency.
- Treat up to 50 patients weekly, offering spinal adjustments, manual therapy, and rehabilitation strategies to alleviate pain and promote healing.
- Developed patient-centered care plans focused on long-term health improvements and wellness maintenance.
- Managed a team of 3 chiropractic assistants and 2 office staff, overseeing day-to-day tasks and training new team members in patient care protocols.

## Chiropractor

2010 - 2014

Health & Wellness Chiropractic / New York, NY

- Provided comprehensive chiropractic care, including spinal adjustments, rehabilitation exercises, and manual therapies to a diverse patient base.
- Collaborated with physical therapists and massage therapists to create holistic treatment plans tailored to patient needs.
- Conducted detailed musculoskeletal assessments and diagnostic evaluations to determine appropriate care pathways.
- Educated patients on injury prevention techniques, posture correction, and lifestyle changes to improve overall health.
