

Interior Designer

Emily Adams

Professional summary

Passionate and detail-oriented interior design graduate seeking to apply creativity and technical skills to residential or commercial design projects. Eager to contribute to innovative design solutions and learn from experienced professionals in the field.

Experience

Interior Design Intern

June 2024 - August 2024
Interior Concepts Studio / Chicago, IL

- Assisted senior designers with space planning and layout creation for residential projects, contributing to the overall design process.
- Created 3D models and mood boards to present design concepts to clients for review and approval.
- Helped source furniture and materials, ensuring that all selections aligned with the clients' preferences and design goals.
- Participated in client meetings, taking notes and assisting in the preparation of presentations and design documents.

Student Intern

2022 - 2023
Architectural Design Firm / Chicago, IL

- Assisted with drafting floor plans and creating preliminary designs for small-scale residential projects.
- Conducted research on design trends, materials, and furniture, providing valuable input for ongoing projects.
- Collaborated with the design team to refine ideas and contributed to brainstorming sessions for new projects.

Volunteer Work

Interior Design Volunteer

Assisted in designing spaces for local charities, providing free design services to enhance community centers and non-profits.

Design Workshop Leader

Led workshops for high school students, introducing them to basic design principles and software tools like AutoCAD and SketchUp.
