JESSICA MARTINEZ

EMERGENCY ROOM TRAVEL NURSE

PROFESSIONAL SUMMARY

Dynamic and detail-oriented Emergency Room Travel Nurse with experience in fast-paced ER environments. Proven ability to provide high-quality care in high-stress situations, triage incoming patients, and collaborate with a multidisciplinary team to improve patient outcomes.

EXPERIENCE

- July 2021 - Now

Emergency Room Travel Nurse

Emergency Care Staffing / Dallas, TX

- Deliver emergency nursing care to patients with a wide range of injuries, illnesses, and life-threatening trauma.
- Triage incoming patients, assessing severity and prioritizing care based on immediate medical needs.
- Perform emergency procedures including wound care, IV insertion, basic trauma care, and stabilization.
- Collaborate with emergency physicians, trauma surgeons, and multidisciplinary teams to provide comprehensive care.

- April 2015 - June 2021

Emergency Room Nurse

Parkland Memorial Hospital / Dallas, TX

- Worked closely with emergency physicians in coding and documenting emergency interventions for high-acuity patients.
- Led the triage team during high-volume situations, ensuring that patients received timely care based on medical urgency.
- Trained and mentored new ER nurses, emphasizing hospital procedures, emergency protocols, and patient care management.
- Contributed to hospital initiatives aimed at improving patient throughput and reducing wait times in the emergency department.
