PROFESSIONAL SUMMARY

Dedicated and compassionate Licensed Vocational Nurse with experience providing high-quality patient care in a fast-paced clinical environment. Adept at managing patient plans, assisting with medical procedures, and delivering exceptional nursing care under the supervision of registered nurses and physicians.

EXPERIENCE

Licensed Vocational Nurse

2020 - Now

Houston Medical Center

- Monitor patient vital signs and assist in medical procedures to ensure proper treatment and care.
- Administer medications and injections, following physician's orders and ensuring patient safety.
- Record patient data, including medical history, medication usage, and test results for accurate documentation.
- Provide emotional and physical support to patients and families, addressing concerns and offering comfort.

LVN Intern

2019 - 2020

Saint Mary's Health Clinic, Houston, TX

- Assisted in daily patient care routines, including bathing, dressing, and feeding patients.
- Observed and reported patient conditions to supervising nurses for further assessment and treatment.
- Assisted with the collection and preparation of specimens for lab testing.
- Supported RN staff in administering medical treatments, preparing patients for procedures, and providing post-operative care.
