EXPERIENCE

June 2025 - Now

Pharmaceutical Intern

Regal Pharmaceuticals / Chicago, IL

- Assist research teams in developing and testing new drug formulations, contributing to a successful trial phase.
- Conduct experiments using advanced laboratory equipment such as HPLC, spectrophotometers, and chromatography tools.
- Analyze data from research trials, generating detailed reports to assist senior scientists in decision-making.
- Contribute to the preparation of research reports and presentations for internal review and external stakeholders.

September 2024 - May 2025

Research Assistant

Chicago State University – Department of Pharmacology / Chicago, IL

- Conducted research for a project studying drug interactions, utilizing both in vitro and in vivo methods.
- Supported faculty in preparing and presenting research findings at academic conferences, receiving positive feedback from peers.
- Assisted in the preparation of regulatory submission documents for research trials, ensuring compliance with ethical and safety standards.
- Managed laboratory supplies and inventory, ensuring proper storage and handling of materials according to protocols.

EDUCATION

Bachelor of Science in Pharmacology

University of Chicago | Chicago, IL | 2025

Certifications

- Laboratory Safety & Compliance Training – 2025
- CPR and First Aid Certification – 2024
