

Emily Rodriguez

COVER LETTER

Dear Mr. Martinez,

I am writing to express my interest in the Mental Health Counselor position at Oak Valley High School. With a Master's degree in Clinical Mental Health Counseling from the University of California, Los Angeles (UCLA), and five years of experience working with students facing emotional and behavioral challenges, I am excited about the opportunity to join your team and support students' mental and emotional well-being.

In my current role as a Mental Health Counselor at Riverside Middle School, I've worked extensively with students dealing with anxiety, depression, and trauma. I developed a school-wide mindfulness program that decreased instances of student stress by 30% and provided individual therapy to students in crisis. I am well-versed in creating safe and welcoming environments for students, where they feel heard and supported through counseling and group interventions.

I am particularly impressed with Oak Valley's commitment to student mental health, and I am eager to bring my therapeutic skills to your school. I believe that my background in creating effective counseling programs and my ability to connect with students in a compassionate and non-judgmental way will make me a strong asset to your team.

Thank you for your time and consideration. I am excited about the possibility of contributing to Oak Valley's mental health initiatives and would appreciate the opportunity to discuss my qualifications in greater detail.

Warm regards,

Emily Rodriguez
