Capital Electric

Dear Ms. Thompson,

I am thrilled to submit my application for the Electrician Apprentice position at Capital Electric. With a strong passion for hands-on electrical work and a recent completion of my electrical apprenticeship training, I am eager to grow my skills under the guidance of a talented team like yours.

During my training at Austin Community College, I gained experience with residential wiring, lighting installations, and troubleshooting electrical systems. I have developed a keen interest in both residential and commercial electrical work, and I am excited to apply my knowledge in a more advanced, professional environment like Capital Electric. Your company's reputation for innovation and client satisfaction is something I admire, and I would be honored to contribute to your ongoing success.

I look forward to the opportunity to discuss my qualifications in more detail. Thank you for your consideration.

Sincerely,

Linda Martinez
