## PROFESSIONAL SUMMARY

Compassionate and detail-oriented Registered Nurse with experience providing exceptional care to patients in rehab settings. Skilled in pain management, patient mobility, and care coordination. Seeking a position to contribute expertise in patient rehabilitation and recovery.

## EXPERIENCE

### Rehabilitation Nurse 2019 - Now Sunset Rehabilitation Center, Los Angeles, CA

- Provide direct care to patients recovering from surgeries, injuries, or chronic conditions.
- Collaborate with interdisciplinary teams to create and implement personalized rehabilitation care plans.
- Educate patients and families on rehabilitation goals, procedures, and home care.
- Assist patients with physical therapy exercises, mobility assistance, and daily living activities.

### Staff Nurse 2017 - 2019 St. Mary's Medical Center, Los Angeles, CA

- Administered medication and monitored vital signs for patients with post-surgical and chronic illnesses.
- Worked in a fast-paced unit, responding to emergencies and ensuring patient comfort.
- Assisted with discharge planning and coordinated follow-up care with rehabilitation centers.
