EXPERIENCE

- 2025 - 2025

Stage Crew Assistant

Brooklyn Youth Theatre / Brooklyn, NY

 - Collaborated with directors and designers to conceptualize and build scenery, choosing materials that aligned with aesthetic and budget constraints.
 - Managed backstage areas during performances, ensuring props and equipment were set correctly and transitions were executed without delays.
 - Created visual storyboards for lighting and set layouts during rehearsals, enhancing consistency in production delivery.
 - Worked with the wardrobe department to maintain costume racks and backdrops, offering input on color matching and spatial layout.
- 2024 - 2024

Camp Counselor

Prospect Park Kids Camp / Brooklyn, NY

 - Led group games, creative workshops, and nature walks for campers aged 6–9, ensuring everyone remained engaged and safe throughout activities.
 - Set up and decorated indoor spaces for themed events using signage, props, and custom displays that matched the camp's weekly themes.
 - Prepared and maintained supply kits for arts and crafts, ensuring all campers had materials ready at the start of each session.
 - Coordinated with other counselors to create detailed daily schedules, leading to smooth transitions between meals, play, and rest periods.

PROJECTS

- Visual Merchandising Simulation

School Project

 - Designed a mock retail window display as part of a senior capstone project, incorporating product placement strategy and seasonal aesthetics.
 - Created a digital mood board and floor plan, using Photoshop and hand-drawn layouts to visualize the final design.
 - Presented to a panel of instructors, receiving praise for cohesive storytelling, lighting choices, and space utilization.
