Dear Mr. Davis,

I am writing to inform you that I will be retiring from my position as Project Manager at Pioneer Builders on July 1, 2025. After 40 years in the construction industry, it's time for me to retire and enjoy some well-earned time with my family.

It has been an absolute pleasure working with you on various construction projects, and I take great pride in the work we've accomplished together. The successful completion of each project has been a direct result of our collaboration and your trust in our services.

To make sure your projects continue to run smoothly, I'm pleased to introduce Eric Lawson, who will take over as your primary project manager. Eric has been with Pioneer Builders for 15 years and is well-versed in managing all stages of construction. He will be reaching out soon to discuss the details of your ongoing projects and ensure everything is on track.

Thank you for the incredible partnership over the years. I look forward to hearing about the continued success of your ventures.

Best regards,

Steven Jacobs
