Goodbye Message

Well, this is it! I'm off to chase new adventures, but I couldn't leave without saying a big THANK YOU to each of you. It's been a ride—from those last-minute panics to our Friday snack runs. You've made the tough days easier and the good days even better.

Catch me on Instagram (@realchrisj) or drop me a message if you ever need a recommendation for terrible takeout or a meme partner. You can also email me at chris.jenkins123@yahoo.com.

Catch you on the flip side,

—Chris
