United States, Orlando, FL

PROFESSIONAL SUMMARY

Detail-oriented Lawn Technician with experience maintaining residential lawns. Proficient in mowing, fertilizing, edging, and seasonal lawn care services. Strong commitment to customer satisfaction and lawn health.

EXPERIENCE

Lawn Care Technician

Green Thumb Services / Orlando, FL

2021 - Now

- Perform weekly maintenance services including mowing, trimming, and leaf removal on over 30 residential properties.
- Identify lawn diseases and recommend treatment options.
- Apply fertilizers and herbicides following safety and environmental standards.
- Maintain positive relationships with clients and respond to service requests.

Landscaping Assistant

Sunny Scapes Landscaping / Kissimmee, FL

2019 - 2021

- Assisted in planting seasonal flowers, shrubs, and groundcover; applied mulch to retain moisture and enhance appearance of landscaped areas.
- Operated commercial-grade zero-turn mowers, edgers, and string trimmers to maintain lawns and borders at residential and commercial properties.
- Helped install and repair irrigation systems, including laying PVC piping, adjusting sprinkler heads, and troubleshooting water flow issues.

EDUCATION

Certifications

- Florida Limited Commercial Landscape Maintenance Certification (2024)
- OSHA 10-Hour Safety Card (2023)
