PROFESSIONAL SUMMARY

Reliable and detail-oriented grocery stock clerk with over five years of experience in managing inventory, receiving shipments, and maintaining organized stockrooms. Proven track record in decreasing shrinkage and improving department productivity through consistent audits, efficient stock rotation, and proactive problem-solving.

EXPERIENCE

February 2020 - Now

Night Stock Clerk

Shop'n Save / Pittsburgh, PA

- Stock shelves across 10 aisles nightly, adhering to FIFO (First In, First Out) and backstock rotation systems to ensure product freshness.
- Utilize RF scanners and handheld devices to monitor inventory levels, flagging low-stock items for immediate replenishment.
- Conduct detailed biweekly inventory audits, contributing to a 17% reduction in product shrinkage over the last year.
- Safely operate pallet jacks and forklifts to unload deliveries and manage bulk shipments efficiently.
- Assist in setting up promotional displays and endcaps to increase product visibility and drive sales.

June 2017 - January 2020

Stock Assistant

Market District / Pittsburgh, PA

- Assisted in the execution of seasonal product resets and promotional floor plans, ensuring efficient use of space and product placement.
- Collaborated with dairy and frozen food departments to manage inventory and maintain stock levels during peak periods.
- Labeled and organized new items, ensuring they were ready for immediate sale and properly facing the shelves.
- Maintained cleanliness and organization of stock areas to ensure safety and efficiency during high-traffic hours.

EDUCATION

Certifications

- OSHA Forklift Operator Certification – Issued March 2022 (Expires March 2025)
- Inventory Control Specialist Certificate – Penn Retail Training Center, Completed July 2023
- Food Safety & Sanitation Certification – National Retail Federation, Completed May 2022
