PROFESSIONAL SUMMARY

Reliable landscape maintenance foreman with over a decade of experience ensuring top-tier upkeep of residential communities, HOAs, and public properties. Excels at planning seasonal routines, managing service crews, and troubleshooting irrigation systems.

EXPERIENCE

Landscape Maintenance Foreman

2018 - Now

Northwest Grounds Group, Beaverton, OR

- Supervise day-to-day operations for landscape upkeep across over 20 residential and HOA properties, with a focus on quality and consistency.
- Customize maintenance plans based on property needs, weather patterns, and seasonal growth cycles, ensuring well-kept grounds year-round.
- Diagnose and resolve complex irrigation system issues, reducing water waste and improving plant health across multiple sites.
- Mentor new hires and seasonal workers, improving onboarding efficiency and long-term staff retention by 35%.
- Perform monthly site inspections and report directly to property managers, helping secure contract renewals.

Maintenance Crew Lead

2012 - 2018

Evergreen Outdoor Services, Hillsboro, OR

- Maintained lawns, hedges, and flower beds for public schools and parks in Washington County, adhering to environmental safety standards.
- Managed fertilizer applications and weed control schedules, coordinating with city regulations and environmental practices.
- Adjusted scheduling and staffing around school calendars and public events, preventing conflicts and ensuring uninterrupted service.
- Launched a cost-saving initiative that reorganized crew routes and reduced fuel expenses by 15% within six months.
