Dear Mr. Mahelona,

I'd love to be considered for the bartender position at your poolside bar at Four Seasons Maui. With experience serving tropical cocktails in fast-paced beach resorts, I'm ready to help your guests relax and enjoy their time in paradise.

*I've spent the last two seasons bartending at the Royal Lahaina Resort, where I specialized in island-inspired drinks and large-scale service. I worked poolside and beach setups, managed inventory, and helped train seasonal hires. I've built a reputation for being calm, attentive, and efficient—even during midday rushes.

Four Seasons is known for its elevated guest service, and I'd be proud to maintain that standard. I take pride in knowing the difference between good and great hospitality.

Mahalo for your consideration. I hope we can connect soon.

Warm regards,

Jordan Wells
