

Noah Carter

Bartender

Dear Ms. Rinaldi,

I'm interested in bartending at Caesars Palace. With four years of casino floor experience, I understand the pace, energy, and discretion required to excel in this setting.

At The Cromwell, I staffed both the sportsbook bar and high-limit lounge. I prepared drinks quickly and precisely while maintaining composure under pressure. I also developed a loyal following thanks to my professional manner and attention to guest preferences.

Caesars has long set the gold standard for Vegas hospitality. I'd be honoured to contribute to that tradition with dependable, top-tier service.

Thank you for your consideration. I'm available to meet or audition at your earliest convenience.

Kind regards,

Noah Carter
